

# CHEMfix 360

General Purpose Monomer Resin Base Flexible Adhesive

## DESCRIPTION

**CHEMfix 360** is monomer resin based single component general purpose, flexible adhesive that is used for caulking, grouting, jointing and embedding in building construction. It is easy to apply and compatible with most materials used in construction e.g. concrete, wood, brick, natural and artificial stone, glass, metal and sanitary-ware etc.

## Uses / Applications

- Caulking
- Grouting
- Jointing
- Expansion Joint
- Embedding cornices
- Sealing between door / window frames and walls
- Holding down roof sheets
- Over paintable in one day
- Flexible and crack resistant
- Good adhesion to a variety of substrates
- Provides a smooth finish
- Water based, low odor and non toxic
- Suitable for interior and exterior applications
- Resistant to UV radiation, moisture and extreme climatic temperature fluctuation

## Other Information

Ready to use single component do not require any mixing procedure. Should not be used where high movement accommodation is needed. Should not be used on oily, bituminous substrates, building material that may bleed oils and solvents.

Not recommended for use in floor joints.

When using **CHEMfix 360** do not expose to water or rain for at least 24 hours.

## Packing

3 Kg Tin & 15 Kg Bucket

## Storage

Shelf life is minimum 1 year when stored in covered and dry environment.

The information and recommendations above are given in good faith based on our current knowledge and experience of the products when properly stored, handled and applied in accordance with current best practice, national standards and our recommendations. As we have no control over site conditions or methods of application, no liability can be derived from the contents of this information sheet, or from any written recommendations, or from any other advice offered. The user of the product is solely responsible for the product's suitability for the intended application and is recommended to test the suitability prior to use. We reserve the right to change the properties of our products without notice. All orders are sold subject to our current terms of sale and delivery. With the publication of this Technical Information Sheet all previous editions are no longer valid.
